APJ Abdul Kalam Technological University

A DECADE OF
PROMISING
GROWTH

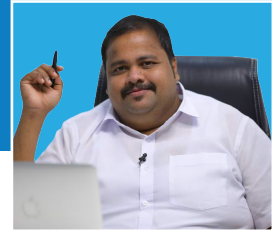

www.gisat.in

" Beyond providing a perfect education in Engineering, we aim to build a successful future and life benefits through a different training experience for students. We teach them to learn, not just study, that's why this institution travels beyond the limits of mere books.

Dear students, GISAT offers you a grooming ground for your Engineering career and it's a decade of promising growth. It's our strong hope that the years that each student spends in GISAT would gift you with a successful job, leadership, and managerial skills. We invest our trust and bank all our hard works on you. "

Best Wishes.

Abid Shahim
CEO

ABOUT US

Our training helps future engineers to develop ways that benefit mankind. No one knows exactly how engineers could make a difference to society in the future, but it is guaranteed that they will, it's our promise. New engineering jobs are constantly appearing alongside new and innovative technologies and we are leading our students to that point. If being at the forefront of technology in the future and helping to make a difference in lives is something that interests you, an engineering career could be a perfect choice. At GISAT, we have been designing and delivering engineering training programs since 2010.

We are focusing to offer not a number of engineers to society, but some with guaranteed services. Our major objective is to carve a successful entrepreneur who can offer jobs to at least a hundred people and be a shelter to the nation. We are striving to create outstanding career stories through job-based training of world-class standards. There is no doubt that unique ideas and inventions will be born of them. GISAT gifts the best of our students to the community and is committed to the objectives of promoting equality, fraternity, and secularism. This grooming ground is a seat of enlightenment and a platform to impart quality education in the technical arena, at an affordable expense.

OUR VISION

To be a leader in providing value-based and world-class technical education to the younger generation in harmony with the changing global order.

OUR MISSION

Offering technology-related and job-oriented education of exceptional quality by empowering with the knowledge and prepare them to meet the growing challenges of the industry.

COURSES

B.Tech Computer Science & Engineering

Data Science
Machine Learning & Big Data
Artificial Intelligence
Blockchain & Data Mining
Internet of Things (IoT)
Cyber Forensic & Cyber Security

B.Tech Mechanical Engineering

Piping Design & Manufacturing
Non Destructive Testing
Fire & Safety

B.Tech Civil Engineering

3D Printing Technology

Interior Design

Revit Architecture

Structural Analysis & Design

B.Tech Electronics & Communication Engineering

Robotics & Automation
Data Science
Signal Processing
Internet of Things (IoT)
FPGA Design

B.Tech Electrical & Electronics Engineering

AutoCAD Drafting
ETAP
Electrical Safety
MATLAB

M.Tech Cyber Security

M.Tech Communication Engineering

WHAT WE OFFER

- Promise 100% Placement
- International Certification Courses
- No Donation & Govt Fee-Only
- Free education for SC/ST/ OEC/ OBC (H) students
- Free education for those with marks above 90% in +2/VHSE
- 3 Year B.Tech for Polytechnic/B.Sc Degree students

AN ISO 9001 : 2015 CERTIFIED INSTITUTION
COLLEGE OPTION CODE : GIT

INTERNATIONAL ADD-ON CERTIFICATIONS
